Subject: Advisory Letter to Corps of Engineers

Hi Alan and Joanne:

Thanks for taking the time to tour the Garden yesterday afternoon and discussions regarding the Strategic Plan you are preparing.

Each time I am in the Garden is better than the last. It was a relaxing afternoon for a change.

Attached is the Advisory Letter to Corps of Engineers and attachments that go back to the inception of the project and identifying the site uses in the proposed initial City lease agreement.

See you all at 2 pm on June 15th just before the Advisory meeting.

Gene
